

TESTING AND TECHNOLOGY

Cover page – table for signatures

Student: _____

Study group: _____

Task	Task name	SIGNATURE
I	Introduction	
CD	Concrete mix design	
IM	Testing of insulation materials	
M	Microstructure of building materials	
BC	Building ceramics	
FC	Fresh concrete	
H	Hardness of concrete, rebound hammer test	
U	Ultrasonic pulse method	
R	Resonance method	
S	Strain measurement	
E	Modulus of elasticity of concrete	
L	Loading tests of building structures	
C+C	Conclusion, credit
